

Bearings

HC-CARGO bearings are exclusively designed, developed and tested in Germany to meet present and future OE Standards and specifications. HC-CARGO offers a wide program in standard sized ball bearings, special bearings, roller bearings and needle bearings. We continuously develop and extend the HC-CARGO program. Find the full up-to-date program overview on www.hc-cargo.com

Bearing Type	HC-CARGO single packed	HC-CARGO bulk packed	ID	OD	Height
336 2RS C3	140239		15.00	46.00	14.00
